

2024 ANNUAL TOY DRIVE

Making the Season Bright for Every Child

Western Youth Services (WYS) is hosting its 2024 Toy Drive to bring joy and relief to children and families this holiday season. We are collecting new, unwrapped toys and financial contributions to ensure every child experiences the magic of the holidays.

Our goal is to provide 2,000+ gifts to our clients in need this holiday season.

For over 50 years, Western Youth Services (WYS) has been a leading expert in mental health and wellness services, providing critical support to children and families throughout our community. By participating in this Toy Drive, you're helping us continue this mission by brightening the holidays for families in need.

A simple toy can make a big difference. It brings joy, encourages creativity, and helps children feel valued. Your donation also offers relief during what can be a stressful time for many. Together, we can make this season brighter for every child, while supporting their mental and emotional well-being.
