

# FIRE FRIDAYS

Every student deserves to feel proud, confident, and happy.

## WHAT IS #FIREFRIDAYS?

- Fire Fridays provide students with a space to develop social and emotional learning skills and positive coping strategies in a supportive environment.
- Students engage with a caring, trusted adult, fostering a sense of support and belonging.
- The initiative reinforces respect, responsibility, and safety, helping students make positive choices at school.
- Fire Fridays offer a safe space for students to share who they are, express their feelings, and build confidence in navigating emotions.
